Involvement of Parents

If the school wide program plan under **Section 1116 (b) (1)** is not satisfactory to the parents of participating children, the school will include/submit the parents' comments with the plan that will be made available to the local education agency **Section 1116(b) (4)**.

Polk County Public Schools Title I program requires schools to submit evidence that documents parent input and approval for how the funds are spent. This documentation is monitored for compliance and kept on file in the Title I online monitoring file system. Parent input is gathered through a parent meeting or SAC meeting.

Describe how this plan is a shared responsibility and families give input to review and improve this plan? How often?

Parent involvement is the foundation for student success. We invite all parents and family to participate in developing and revising this plan. The plan is reviewed and revised as often as necessary.

How do you use the information from reviewing the plan to design strategies for more effective engagement?

Student data is reviewed regularly through Administration and also Professional Learning Community (PLC's). The data helps us determine where we need additional supports, strategies, and resources not only in our classrooms but where we need additional support to help our families in understanding important curriculum and state assessments.

How will you involve parents/families in the decision making of how your Title I programs and how Title I funds will be used for Parent and Family Engagement Activities?

Parents are given a list of Discussion Questions to help assist in writing this plan. Parents and families are specifically asked what types of activities they would like RCHS to offer to Build the Capacity. Parents are also asked how Title I Parent and Family Engagement monies should be used.

What evidence do you have to document parent/family participation in writing/reviewing your plan? (meeting date, agenda, minutes, charts, sign in sheets)

Polk County Schools Title I program requires that all Title I schools hold a parent meeting to develop or write/revise their "Parent and Family Engagement Policy". Schools are required to provide evidence that documents; how parents were invited, an agenda for the meeting, sign in sheets, and minutes and/or specific input given by parents. The Title I Program Coordinators monitor schools for compliance and evidence is uploaded and kept on file in an online monitoring.

How will this plan assist in providing high quality instruction for all learners?

RCHS provides high quality instruction to every student, each and every day. This plan assists parents in supporting their students learning at home because activities and workshops are offered to provide parents and families with information, materials, and resources to assist their student be successful.

How will the school share comments received from parents/families?
